

EMBOLDENED WOMEN MANIFESTO

Our lives are firmly rooted in Jesus Christ, and we are propelled by the empowering presence of the Spirit. The Spirit informs our decisions in the office, at home, behind a cashier's counter, and in our relationships; **by the *Spirit* we are *shaped* into the *women* we were *created* to be**—biblical women, holy women, and daughters of the resurrection. We imitate Christ, and we are beautiful, strong, courageous, quiet, outspoken, tender, fierce, and we are diverse.

We have gifts to teach, preach, prophesy, serve, lead, and build. **We are *nurturing*, we are *assertive*, we are *maternal*, and we are *fierce*.**

WE ARE EMBOLDENED WOMEN.
