978-0-8308-4131-8

## Ogden Shares with Leaders the Vision Behind His Lifelong Work in Discipleship

Greg Ogden, author of the bestselling *Discipleship Essentials*, provides church leaders with a proven guide to discipleship in this revised and expanded edition of *Transforming Discipleship*. Updated throughout by the author, the new edition includes a chapter on discipleship and preaching and an updated Q & A in the appendix.

The discipleship model Ogden presents in *Transforming Discipleship* is biblical and effective. Rather than relying on the latest evangelistic strategies or large-scale, resource-heavy programs, Ogden's model addresses the need for the local church to recover Jesus' method of accomplishing life change by investing in just a few people at a time.

Ogden's vision includes transforming both the individual disciple and discipleship itself, showing how discipleship can become a self-replicating process with ongoing impact from generation to generation.

Biblical, practical, and tremendously effective, *Transforming Discipleship* provides the insights and philosophy of ministry behind Ogden's earlier work *Discipleship Essentials*. Together, these groundbreaking books have the potential to transform how the church transforms the lives of its people.

### Praise for *Transforming Discipleship*

"No one gets the why and how of transforming ordinary people into extraordinary disciples like Greg Ogden does. . . . In this revised edition of his landmark book, Greg offers individuals and churches an invaluable manual for shaping circles and cultures that are truly transformative in the way that Jesus and Paul originally had in mind."

—Daniel Meyer, senior pastor, Christ Church of Oak Brook, host, Life Focus Television

"Transformation happens not through programs but through highly accountable, mutually encouraging, Spirit-formed relationships. All those concerned about a 'disciple deficit' will find this not only a must-read but a 'must-practice' book!"

—Leighton Ford, president of Leighton Ford Ministries
